## **Creditntell.com, Riemer Reporting Service, Inc. & NACM Business Credit Services (Oregon). Announce Alliance**

GREAT NECK, NY -- (INTERNET WIRE) – 09/04/03 -- Creditntell.com, a subsidiary of Information Clearinghouse and sister Company of F&D Reports, today announced completion of another working alliance, having executed an agreement with Riemer Reporting Service, Inc. and NACM Business Credit Services (Oregon).

The new relationship adds to the 6 alliances already in place:

- NACM Credit Services (Kansas City)
- NACM/ Chicago-Midwest
- NACM Mid-Atlantic, Inc.
- NACM Greater Cleveland
- Business Products Credit Association, Inc. (BPCA)
- New York Credit & Financial Management Association

Commenting on the new alliance, Creditntell.com's President, Kevin Slack, stated, "We are extremely pleased to be aligned with two more of the most reputable credit reporting associations in the industry. Without question, these new alliances will prove to be beneficial to all involved as we take advantage of our over 150 years of combined management experience in retail to create added value services for today's credit executive. Creditntell.com is well positioned in this regard with excellent credit intelligence on sales channels of specific interest to Riemer and NACM Business Credit Services members. Through our various products, including Retail News and Views, Quarterly Company QuickLook Reports, Retail Insights, Credit Facility Database, and the Insolvency Support Center, Creditntell.com provides an essential tool to assist credit managers in establishing appropriate lines of credit with retailers such as, Sears Roebuck & Company{S}, The Good Guys {GGUY}, Target Corp. {TGT} et.al."

Creditntell.com, is a comprehensive retail credit consulting firm specializing in the analysis of public and private companies in numerous retail segments. The focus of Creditntell.com's analysis is to deliver the key intelligence today's busy credit executive needs to make a highly informed decision without sifting through pages of non-essential data. Our internal management team has over 150 years of combined hands-on practical credit management experience and our expert analytical team is second to none.
